

Application No.: 10/664,783

11

Docket No.: 495152000610

**REMARKS/ARGUMENTS**

In the Office Action dated July 27, 2004, claims 1-43 were subject to restriction. Applicants elect claims 11-43 without traverse, and add claims 44-60. Non-elected claims 1-10 have been canceled. Claims 11-60 are now pending.

In the Office Action, the Examiner stated that the second specie included "a barrier layer..." Applicants note that independent claim 11 does not include a barrier layer as a limitation.

In the unlikely event that the transmittal form is separated from this document and/or the Patent Office determines that an extension and/or other relief is required, Applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing 495152000610. The Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: August 27, 2004

Respectfully submitted,

By   
Peter J. Yim
